

# Deposit Tickets

Last Modified on 08/04/2023 3:10 pm CDT

When ordering deposit tickets, a sample deposit ticket or bank specification sheet is required to ensure correct MICRO encoding. Company and bank imprint is available in black ink only. See [here](#) to place an order.

## Booked Deposit Tickets

SSI offers several styles of deposit tickets providing the opportunity to select the option that best fits your business needs. Totals on the DT-410, DT-411 and DT-412 can be read by optical scanners preventing any issues with the bank. All styles are carbonless tickets, in quantities of 50 tickets per book.
