

# Fields - SKY Customer

Last Modified on 11/24/2025 3:31 pm CST

## Overview

Fields can be viewed as cards or as a grid similar to an Excel spreadsheet. Select the icons at the top to switch between the two options.

Use *Search Fields* to search by *Field ID*, *Description*, or *Farm ID*.

Selection: ON ⋮

Options under the **Ellipsis** are available after turning the *Selection* mode to *ON* and choosing one or more *Fields*.

- **Select All**
- **Deselect All**
- **Start Plan** ([Add a Plan](#))
- **Start Blend** ([Add a Blend](#))
- **Start Work Order** ([Add a Work Order](#))
- **Edit Tillage Type** – Select all Tillage Types that apply with the appropriate Field(s) selected and **Save**.
- **Add Crop Year** – Enter the 4-digit *Crop Year*, select the *Crop*, and optionally indicate the *Crop Chemistry*. Select **+ Add Crop** to add additional *Crop Years/Crops*.

Filter for specific Crop Years by choosing from the *Crop Year* drop-down.

## Card View

The Fields associated with the selected customer display as individual cards which include a *Farm ID*, *Acres*, and any *Billing Splits* established with the Field.

Selecting the map expands the *Field* card to provide more options such as zooming and moving the map around.

## Field Details

Information regarding the specific Field can be displayed by selecting **View Field** (in *Card View*) or by selecting the **Field ID** (in *Grid View*).

If the *Edit Field Information* permission has been enabled in [SKY Admin](#), the *Field Description* and *Billing Splits* can be modified. Select the **Pencil** icon, make the needed changes, then choose the **Checkmark** to confirm the updates (or

the **X** to discard the changes).

Customers can be added to Billing Splits by selecting **+ Add Customer**. A maximum of seven Customers can be selected. Choosing **Show Selected** displays the Customers currently selected to be included in the split (the Grower is not included in the Customer list).
