

Grower360 Patronage

Last Modified on 04/21/2025 3:11 pm CDT

A listing of all Equity, Stock, and Investment totals for the Grower's account can be viewed from the *Patronage* menu.

This menu option is only available if turned on at Sky Admin. For more details on making this option available for Grower360 users, see [Grower360 Divisions - SKY Admin](#).

Equity

Equity totals can be viewed by stock class classification. Stock classification types are managed in *SKY Admin / Grower360* from the *Patronage* card.

Patronage		
Equity	Investments	Stock
	Classification Note - D	Total \$6,000.00

Investments

Individual certificates grouped by stock class classification can be viewed here. Each Demand Note displays a line for each class, date issued, total, and maturity date. A *Note Total* is also available.
