Description

The Location Bookkeeper course familiarizes those new to Agvance with best practices for Accounts Receivable and Inventory transactions as well as related reports.

This class is packed with hands-on exercises giving each participant the confidence to apply this knowledge in their work environment.

Note:

The topic of Accounts Payable will not be covered in this course. An understanding of Accounts Payable is not necessary to successfully complete this course. If needed, an Accounts Payable eLearning course is available and can be found by following the link below.

- [Accounts Payable Basics](#) (e-Learning, 1- hour, learning can be customized and shortened by only completing needed topics)
