

# Require Salesperson on Grower Order

Last Modified on 04/10/2024 3:44 pm CDT

At *Accounting / Setup / Preferences / Inventory* in the Grower Order section, optionally choose the preference to *Require Salesperson*. Select **Save**.

Enter a Grower Order at *Accounting / Inventory / Manage Seed Orders / Grower Order*.

With the *Require Salesperson* option checked at *Preferences / Inventory*, a Salesperson must be selected on the Grower Orders window.
