Use the Search field at the top of the User Maintenance page to search and filter Grower360 users by Name or Email. Choose the **Ellipsis** icon to **Download Grower Users** as an Excel file. The **Trash Can** icon can be selected to remove a Grower360 user and ensure they no longer have access to that Grower360 account.

Grower 360 User Maintenance				...	Search Users
	Name Randy Tester	Email randy@grower360.com	Associations 1 Customer Account		
	Name Tommy Tester	Email tommy@grower360.com	Associations 1 Customer Account		

If discontinuing use of Grower360, all Customer Associations must be deleted using the **Trash Can** icon prior to SSI Support turning off Grower360. If an Association is not removed, the Grower will continue to receive invalid email notifications when contracts are created.

Select the link in the Associations column to display the Customer accounts associated with that Grower360 account. Selecting **View Customer** opens that account in Customer.
