Grower360 Recent Activity

The most recent Payments, Invoices, Scale Tickets, Field Applications, and Requested Orders on the customer's account can be quickly reviewed. Selecting **View More** on any of the grids displays additional transactions.

If the *Grain*, *Fields*, *Payments*, *Invoices*, and/or *Requested Orders* **Divisions** are turned off in SKY Admin, the *Scale Tickets*, *Field Applications*, *Payments*, *Invoices*, and/or *Requested Orders* tabs will not display in the *Recent Activity* section of the Grower360 *Overview* page respectively. If all of these Divisions are turned off, the *Recent Activity* section will not be displayed at all.
