

Dicamba License on Custom App Sheet

Last Modified on 03/31/2025 8:57 am CDT

For companies that custom apply Dicamba products for post applications, the custom applicator's Dicamba license number and the date of training can be printed on the Custom Application sheet.

A Dicamba License # and Training Date may be entered for an Applicator at Hub / Setup / Applicators.

Note: To print the Dicamba line on the Custom App Sheet regardless of whether the information is completed on

the applicator file or not, an *Always Print Dicamba Label* preference is available on the *Custom App Sheet* tab at *Blending / Setup / Location Preferences*.

Selecting this option prints a Dicamba label on the Custom App Sheet and includes the applicable license number and date or a blank line if the number and date are unavailable.
