

SKY Crop Planning Report

Last Modified on 07/08/2026 8:20 am CDT

The SKY Crop Planning report displays total crop acres per Grower, Farm, or Field when a Planting Rec is created to assist Growers in crop planning.

1. Navigate to *Reports* and select the *SKY Crop Planning Report*.

The screenshot shows the 'Reports > Reports' interface. On the left, under '1. Select Report:', there is a search bar and a list of reports. 'SKY Crop Planning Report' is selected and highlighted with a red box. On the right, under '2. Options:', there are several configuration options: 'Season' (2025), 'Crop' (a dropdown), 'Start Date' and 'End Date' (calendar icons), 'Per Page Options' (Field), 'Orientation' (Portrait), 'Basemap' (Imagery with Labels), 'Custom Imagery' (checkbox), 'Label Options' (Summary, Crop Zone), 'Advance Crop Color' (Crop), and 'Original Format' (checkbox). A 'Create Report' button is at the bottom right.

2. Multiple Fields can be selected as well as individual Recs. The report will display per *Grower*, *Farm*, or *Field*.
3. Choose the appropriate season from the *Season* drop-down under *Options*.
4. From the *Per Page Options* drop-down, choose to view the report by *Grower*, *Farm*, or *Field*. Each *Grower*, *Farm*, or *Field* selected for the report will display on a new page.
5. From the *Basemap* drop-down, select the desired Basemap imagery to display.
6. Optionally select the following report criteria:
 - **Crop** – Choose to run the report for only the Crop selected on the chosen Field(s) or Rec(s).
 - **Start / End Date** – Select to run the report for the selected Fields or Recs within a desired date range.
 - **Custom Imagery** – Select if custom drone imagery has been imported for the chosen Field.
 - **Summary** – Select to print a summary page designating specific crops with totals.
7. Choose **Label Options** to select which labels to display on each Field included in the report.
8. Once all desired report criteria are selected, choose **Create Report**.
9. The report displays in the *Reports Based on Field Selection* grid with a *Status* of *In Progress*. Choose **View Report** to open the report.
