

SKY Boundary Report

Last Modified on 07/08/2026 1:32 pm CDT

Boundary reports are available to print or download by navigating to *Reports* at the top right corner of the *Mapping* window.

1. Select the *SKY Boundary Report* option under *Select Report*.
2. Use the drop-down menus to specify the page setup under *Options*.
3. Choose **Create Report**. The report will process, and the status will change to *View Report* when processing is completed.
4. Select **View Report**.

The screenshot shows the 'Reports > SKY Mapping' interface. On the left, a table lists various farms and their acreage. In the center, the '1. Select Report:' section has 'Sky Boundary Report' selected. On the right, the '2. Options:' section shows settings for page size, zoom level, and orientation. The 'Create Report' button is highlighted in the bottom right. Below the options, a table shows the report status for 'Barry Anderson' and 'Field: BA-01'.

Report Type	Customer	Farm	Field	Seas...	Date	Status
Sky Boundary Report	Barry Anderson	WireWest	BA-01		02/22/2024 7:36:11 AM	View Report

5. The SKY Boundary report loads and text or drawing objects can be added. A PDF file of the map can also be printed or downloaded.

The screenshot shows the 'Boundary Report' viewer. On the left, a toolbar contains options like 'Download', 'Print', 'Text', 'FreeHand', 'Arrow', 'Ellipse', 'Image', 'Line', 'Rectangle', 'Highlight', 'Zoom In', and 'Zoom Out'. The main area displays a map of a farm with a red boundary line. A table on the right lists the fields and their acreage.

Field	Acreage
BA-01	74.50 ac
9.58 ac	
13.91 ac
