

# Inventory Costs Dashboard

Last Modified on 05/04/2022 10:42 am CDT

This dashboard honors user restrictions based on Product location.

## Purpose

The Inventory Costs dashboard shows the *Quantity*, *Cost per Unit*, and *Total* during *Beginning Inventory* with *Purchases*, *Sales*, and *Ending Inventory*.

## Details

View information per Department, Product, and Fiscal Month. Optionally select the cost to view. Filter by *Product*, *Department*, *Fiscal Month*, *Cost Method*, and *Location*.
