

Linking Customers to Agvance SKY Mapping

Last Modified on 07/08/2026 2:00 pm CDT

Follow the instructions below to link Customers to Agvance SKY Mapping.

1. Navigate to *Hub / Setup / Company Preferences*.
2. On the *API* tab, go to the *Mapping Interface* tab, then choose **Select**.

3. On the *Select Customers* window, the *Filter* tab can be used to narrow down the list of Customers displayed. With the *Fields* filter, choose to include *All Customers*, only those with *No fields*, only those *With fields*, or only those *With fields with boundary* in Agvance Windows Mapping.
