28-0-0 28-0-0	Lbs	\$235.496	37,971.000	2-23-2019		

Purpose

The Slow Moving Product dashboard gives the ability to see which products with an *Amount on Hand* have not been sold or invoiced after a certain date.

Details

Filter by *Location*, *Invoice Prior To*, *Cost Method*, and/or *Purchase Date*. Products with a last invoice date prior to that date will be included in the results.

This dashboard honors user restrictions based on product Location.
