

Patronage Interest 1099 Dashboard

Last Modified on 07/31/2024 10:02 am CDT

This dashboard honors User restrictions based on Customer Location.

Purpose

The Patronage Interest 1099 dashboard shows both the interest from Grain and Patronage and a total of the two added together.

Details

Closing the calendar year is what generates the totals that will create this report. A minimum of the total interest can be set.
