Analytics Data Source Release Notes | 07.10.2025

Last Modified on 07/10/2025 11:16 am CDT

Sales Order

- **AN-3432 / Sales Order** – The Sales Order data source now includes the *Term* or *Discount* that is on the Sales Order.

Shipment

- **AN-3430 / Shipments** – Grade Factor Names and Grade Factor Values, Shipment Number, Customer, and Destination were added to the the Shipment data source. Contract and Scale Ticket Numbers, Freight Vendor, Estimated and Destination Units were also added. The Grain Activity dashboard was updated to reflect these changes.
